Cloth type and Paper coil type Fuel Filters for AL and Hino engines

## Leyparts Filters

- Imported paper with chemical coating on inner side for protection against corrosive acids/ ageing.
- Materials are checked to meet the rigors of heavy duty application for maximum pore pressure and burst strength.
- Dimensions tested in a highly sophisticated lab in a specially fabricated test rig to international standard.
- Leak proof nitrile rubber evaluated in infra-red to avoid flow of unfiltered oil.
- Special adhesive used for end caps to withstand heat, pressure and corrosive nature of the oil while in operation.
- Integration of fabrication tested under Bubble Point Test Setup to avoid strained fitment.
